Dear Sir:

The issue fee has been paid for the above referenced patent application. The Examiner informed Applicant that the PTO was unable to locate the previously submitted Computer Readable Format (CRF) of the sequence listings included in the application. The Computer Readable Format was submitted with the parent application, US 08/846,828. Another CRF is submitted along with a paper version.

It is believed that no fee is due; however, in the event a fee is required, please charge the fee to Deposit Account No. 13-3723.

Respectfully submitted,
